the 1990s, the number of people with a mental health problem has increased by 50% (Mental Health Foundation 2000). The prevalence of mental health problems has increased in the general population, and the incidence of mental health problems has increased in the prison population (Mental Health Foundation 2000).

There is a growing awareness of the need to address the mental health needs of prisoners. The Department of Health (2000) has published a strategy for mental health services, which includes a commitment to improve the mental health of prisoners. The Department of Health (2000) has also published a strategy for mental health services, which includes a commitment to improve the mental health of prisoners.

the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million, and the number of people aged 75 and over has increased by 1.2 million (Office of National Statistics 1999). The number of people aged 85 and over has increased by 0.5 million.

There is a growing awareness of the need to develop services to meet the needs of the ageing population. The Department of Health (1999) has published a strategy for ageing, which sets out the government's commitment to improve the lives of older people. The strategy is based on three main principles: (1) to ensure that older people have the opportunity to live independently; (2) to ensure that older people have access to the services they need; and (3) to ensure that older people are treated with respect and dignity.

The strategy is based on the following assumptions: (1) that older people are a valuable resource; (2) that older people have the right to live independently; (3) that older people have the right to access the services they need; and (4) that older people should be treated with respect and dignity. ACTIVITIES

STUDENTS MAKE E.H.S. MORE FUN!

Students socialize during lunch. Vespo chows down. Garrison waits for the bell. Goodwin and Glogowski turned out to be gangsters. Seniors always manage to be noisy at the pep session. Via and Mills change a tire in auto shop.

HOMECOMING

IS FOR EVERYONE

Fifties Day brought letter sweaters, t-shirts, poodle skirts, pony tails, bobby socks, slicked back hair, leather jackets, and a lot of fun. Troy Matlock is a 1950 tough guy. Seniors recreate a special float of memories from their four HC floats.

Twylla Teller enjoys lunch in her Fifties attire. Garber and Tallent make the most of Punk Day.

Papageorgakis, Fokianos, and Smith go for Hat Day (Garfield & Snoopy, too). Downtown business windows became Eagle advertisements.

EDISON GOES WILD, WILD, WILD

Fiscus colored his hair for Punk Day. Bolles and Zmierski act crazy on Punk Day. Greer, Hamara, and Soto mismatch. Sullivan, Goodwin, Clemans, and Wheeler go punk for a day.

Seniors get rowdy at the pep session. Kayes, Sykes, and Kinslow really punk out. Anderson and Fazekas mismatch. Hutman, Ellenberger, Zieba decorate on Hat Day.

"Anything Goes" at Homecoming

Madas and Tuttle run the three-legged race. Seniors plunge forward in the ameoba race. Bolles heads up the tug of war.

Sophomore Float Takes 1st

Sophomore float "Stepping Out to a Victory"--Senior float "Surf City to a Victory"--Junior float "We Are The Champions"--Freshman float "Fly Like an Eagle"

Points Low, Spirits High

Eagle offense is stopped on the carry. Jeff Swider tackles Knox offensive runner. Eagle fans watch the game.

Queen candidates and their escorts await halftime: 1982 Queen Kim Taylor, Joe Littell and Rita Donoval, Craig Michaels and Regina Kinslow, Brock Alvarado and Kelly Koonce, Dan Bianco and Jacque Atchison, and Kip Molchan escorting Julie O'Neil. Eagle mascot (Dana Diehl) gets after a Redskin (Leslie Cox).

Kim Taylor crowns Julie O'Neil at halftime. Varsity cheerleaders have lots of spirit.

Homecoming Queen & King

S. COUNCIL ACTS

Kinslow rides her donkey during the Faculty vs. Student Council donkey basketball game. The Student Court was appointed to act on minor discipline problems. Members are R. MacKenzie, C. Michaels, D. Smith-judge, M. Soto. B. Alvarado poses with the chicken by the decorated tree following the Christmas Convocation. Students enjoy the juke box.

BLOOD DRIVE IS SUCCESSFUL

Cookies and juice are offered to donors before they leave in an effort to restore energy. Mr. Dorulla and Mike Filipas were two of the 98 donors from Edison.

This year's blood drive, spearheaded by chairman Rob Belcher and committee members Steve Fuchs, Chris Kayes, Mercy Soto, and Elizabeth Rizos was very successful. Our goal set by the Red Cross was 90 units that we reached and exceeded--123 people showed up resulting in 106 units given, 15 temporary deferrals and 2 insufficient units. This was a super effort by the students (74) and the staff (24).

JUNIORS EDGE OUT SENIORS IN VB TOURNEY

Richelle Zieba bumps during the freshman game. Lisa Rospierski picks up her ghetto blaster—one of many prizes donated by The American Legion Post 100. Fans eagerly watched their representatives compete. Juniors beat the seniors by one point; sophomores placed third while the freshmen were last.

SWEET HEART DANCE ROCKS

The Sunshine Society held a Valentine dance on Saturday, Feb. 11 from 7:30 to 10:30. It was a semi-formal turnabout with 50 couples attending.

The court was nominated and voted on by members of the Sunshine Society. It consisted of three seniors running for queen and a representative from each grade. The queen was announced during the dance that evening and crowned by Mrs. Kim Vanderlin Kincaid, the last queen.

The music was provided by Larry Timpe, a disc jockey from WKAN radio in Kankakee, IL.

Couples enjoy reaching for the balloons.

Queen and Court: Beth Filipas, Regina Kinslow, Teresa Kappos, Amy Schammert, Rhonda Bryant, Becky Ellis, and 1984 Queen Angie Fokianos.

John Clemans and Rachel Purcell dance the night away. Kelly Elieff and Brock Alvarado, Jessie Tuttle and Jim Gibbons boogie. Music is enjoyed by the dancers.

SSS

The Sunshine Society was first established at Edison in October 1934. The club was disbanded in 1976 and installed in May 1983 by the Merrillville chapter. The society is a sharing and caring organization, donating most of its fund raising money to charity organizations such as the Cerebral Palsy Center.

The 1983-84 chapter officers were installed in May 1983. Sunshiners organized a headstart Halloween party. Twylla Teller plays games with the kids at the party. Members sold cider and jam at Maize Days.

One major goal of education is to help students prepare to cope with situations they will encounter in life. It has been said that one sure thing about the future in life is change, and every individual will encounter change. We hope your education has contributed towards your adjustment to change and that your education will help you as an individual to acquire desired outcomes.

Education should not stifle the opportunity to dream and look forward but if one is to be successful he/she must at some point deal with reality. It is human to procrastinate and allow time to slip through your hands but we must be careful not to LET YESTERDAY TAKE

UP YOUR TOMORROWS.

STUDENTS GOVERN I.S.

Each April the senior class selects students to replace a city official for one day--Government Day. These students first must get a petition to get on the ballot, and they are voted on by the senior class. On Government Day the city officials show the students their offices and some of the things each person does. After a trip on the fire truck or in a police car, the students are treated to lunch by the city. Pictured above is Judge McCafferty, Clerk Treasurer Kinslow, Mayor Soria, and City Attorney Koonce. Other seniors involved were B. Tallent--police chief, P. Papageorgakis--fire chief, S. Staton--public works, A. Fokianos--park superintendent, B. Alvarado--h.s. principal, C. Lundy--ass't principal, R. Yarrington--animal control, and city council members--J. Atchison, B. Ellis, M. Filipas, C. Michaels, D. Nederman, K. Sykes, and J. Wilson.

Staton, Anderson, and Lundy act crazy.

MAY 20TH MARKS 50 YEARS

Graduation 1984 marked the end of high school for 119 Lake Station students and the beginning of 119 new lives. It marked the third generation of the Michaels family graduating from Edison, the golden anniversary for Lake Station schools, and the 50th graduating class from Edison High School.

The Edison band played the processional; both swing choir and concert choir also performed. The president of the class, Joe Soria, welcomed everyone. Debbie Smith, the class salutatorian, gave her speech about letting your goals guide your future, followed by the valedictorian address by Tom Zmierski.

The gym was filled with graduates, parents, relatives, and friends. Tom Zmierski presents his address.

Smith spoke to the class and audience. Swing choir performed "I Got Rhythm." Seniors enter solemnly during the processional.

VARSITY

The 1983 football team found itself short on experience but not lacking desire and effort. With only 3 returning lettermen, many new faces had to fill the playing positions.

The season started off on an excellent note when the young Eagles surprised Calumet 6-0. The game's only score came on a 97 yard pass between Wadding and Lewandowski. A bit of disappointment during the first half of the season was a tough loss to River Forest 14-7. However, the team bounced back with a big 35-0 whitewash of E.C. Washington. The team fell on hard times after that, but finished the season on an upbeat note winning the "Parents' Night" game over Hammond Clark 18-14. A last second pass to Kwak sent the fans home happy.

For the year Crosley rushed for 921 yards and 7 TD's. Lewandowski caught 17 of Wadding's 35 pass completions for 442 yards while senior Swider led the team with 52 solo tackles.

Next year's team will have to replace some other fine senior players such as strong safety Yarrington, fullback Fazekas, centers Filipas and Canterbury, guard Fiscus, tackles Eaton and Malesevic and ends Glick and Cooper.

TENNIS

Off season dedication was the primary factor for this year's team success. Even though we were undefeated and won a sectional championship it is going to take more dedication and discipline if next year's team is to challenge for a regional championship. If the state had class rankings for tennis I am sure our team would have been one of the top five teams in class AA. With the loss of senior Zmierski, that seventh man will be a key to how far next year's team can go.

VOLLEYBALL

The girls' volleyball team lost five of their first six matches by two points or in overtime. It was really hard to gain the confidence or momentum after that, but the girls continued to work hard in practice.

The team was young at varsity experience. Hopefully next year we will turn everything around and start off strong.

The very young varsity team's record was 6-5. Our goal was to achieve a winning record which we accomplished. Six wrestlers finished with winning records: Jacobson 12-9 at 105 lbs.--Murray 15-11 at 112 lbs.--Sullivan 24-4 at 119 lbs.--Combs 15-10 at 132 lbs.--Robles 19-7 at 145 lbs.--Mills 11-9 at 167 lbs. Sullivan has a two-year record of 46-11 and placed first in the Lake Central tourney, conference tourney, and sectional tourney. Yarrington, the only senior, was injured early in the season.

The highlight of our season culminated in the conference title game with Kankakee Valley. Our best statistic for the year was the team's defensive points-45.5 per game. We also kept our opponents to a 39% shooting average from the field. Offensively we averaged 50.95 points per game. From the freethrow line we shot 60.7%--238 from 392.

Morikis led the the team in scoring with 290 points (14.5 per game). Edwards was the leading rebounder with 6.6 per game. Lewandowski led the team in assists with 5.4 per game. He also accounted for over half the team's steals with 72.

The statistics explain some of our strengths and weaknesses which led us to a 14-7 season.

Front: J. Zuniga. Sitting: B. Hudson, D. Gregson, C. Epley, R. Kinslow, D. Smith. Standing: Mrs. French, L. Dziubla, D. Potts, J. Sykes, T. Zmierski. Not Pictured: Rita Donoval (1st semester).

The staff has worked all year trying to create a book reflective of the 83-84 year. The process begins with taking pictures, developing negatives, selecting the right prints and the exact size, printing the pictures, glueing down pictures, identifying people and writing informative copy, typing, then more glueing, thinking of headlines, creating headlines, more glueing, and then there is doing some of that over to make it look even better.

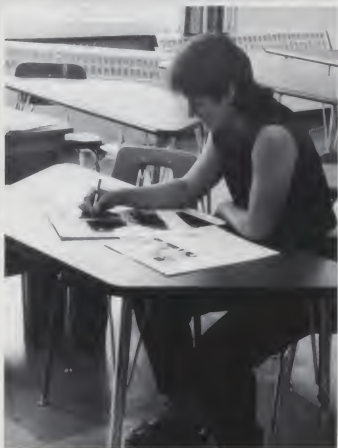

Dziubla, Potts, and Sykes always enjoy working together on their layouts. Zmierski finds the dictionary helpful on troublesome words during one of his many proofreading tasks.

EDISONIAN STAFF CAPTURES TIME

Many people besides staff members helped us out. Thank you faculty and administration--they bore with us when we were late to class or had to work extra time to meet a deadline. Thanks to Mr. Loscaro and Mrs. Henry for taking some pics. Thanks Mr. Dobrich for your creative hand. Bill Cerveny of The Herald was also most helpful. The biggest thanks goes to Wm. Eaton Photography, our official school photographer; Mr. and Mrs. Eaton worked closely with us all year. A lot of people cared enough to make the 84 Edisonian special for you--hope you like it! (Left) Epley finds herself at the typewriter a lot as our expert typist, but also has time to do various other layouts as well.

Smith and Kinslow work especially hard to make their senior memories part of the 84 Edisonian.

The first part of the paper discusses the importance of the research and the objectives of the study. It then presents a literature review of the existing research on the topic. The methodology section describes the research design and the data collection process. The results section presents the findings of the study, and the conclusion section summarizes the main points and provides recommendations for future research.

The study was conducted in a laboratory setting, and the participants were recruited from a local university. The data was collected using a series of questionnaires and interviews. The results show that there is a significant relationship between the variables studied, and the findings are consistent with the previous research.

The study has several limitations, and there are some areas that need further research. The sample size was relatively small, and the study was conducted in a laboratory setting, which may not be representative of the real world. Future research should aim to address these limitations and provide more comprehensive results.
